**NOTIFICATION FOR CONTRACT APPOINTMENT**

Bangalore Metro Rail Corporation Limited, a Joint Venture of Government of India and Government of Karnataka, is a Special Purpose Vehicle (SPV) entrusted with the responsibility of implementing the Metro Rail Project in the city of Bangalore.

BMRCL has embarked upon the journey of improving urban mobility in a wholesome manner with comprehensive improvement. For this goal, it has been determined that a multi-disciplinary team is required to steer BMRCL's many undertakings related to development and planning around metro infrastructure towards an integrated mobility ecosystem. Planning for Transit Oriented Development, Multi-modal Integration, and Last mile connectivity prioritising pedestrianisation, PT and NMV modes are some of the ways in BMRCL intends to achieve this. Also, various sustainable urban transport projects have been taken up by BMRCL wherein the consultant will be required to ensure highest quality and consistency across all deliverables of the project. The consultant will also be required to demonstrate experience of handling complex urban transport solutions for efficient implementation of projects.

Further, BMRCL is also in the process of developing integrated and sustainable mobility solutions in Bengaluru through Technical Assistance from ADB. As a part of this, the consultant will be required to manage and coordinate with the external agency and should have the expertise to develop holistic planning processes.

In this view, BMRCL is inviting applications for the position of 'Senior Transport Planner' in Bengaluru.
